WORLD ENVIRONMENT DAY CELEBRATIONS

World Environment Day is a great opportunity to celebrate nature and raise awareness about environmental issues. People around the world often engage in activities such as tree planting, clean-up campaigns, and educational events to commemorate the day. It's a chance for everyone to reflect on our impact on the planet and commit to actions that promote sustainability and protect the environment for future generations. WORLD ENVIRONMENT DAY is June 5. Dr. Anuja R Singh, Principal, Sankaranethralaya Academy, Chennai was the guest of honour. Ahalia School of Optometry students carried out a number of programmes to enhance the beauty of Environmental Day. Students from both UG and PG levels participated in the quiz programmes, which were held in the afternoon session.

Consequently, it was one of the loveliest days of the academic year.

INVESTITURE CEREMONY

The investiture ceremony was conducted on July 12, 2024, at 9 a.m. in the Ahalia Foundation Eye Hospital Auditorium. All our students, teaching staff, and non-teaching staff were present at the auditorium. Our faculty, Ms. Nancy Priyanka, hosted the program, starting with prayer and a lamp-lighting ceremony. Then there was a welcome dance by our students. Our HOD gave an inaugural address, followed by an annual report presentation by the current university union council members. The UUC members handed over badges to the newly elected members, followed by the introduction of new members, and they shared their future plans. The name 'THARANG' was given to the new student union. The session ended with a vote of thanks.
