## INAGURATION CEREMONY

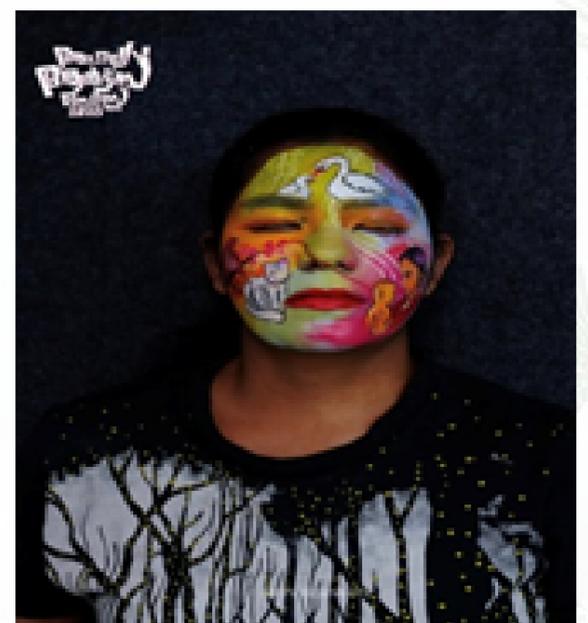

The Ahalia School of Optometry and Research Centre proudly hosted the inauguration ceremony for the B.Sc., M.Sc., and DOA first-year students on December 1st. The event marked the beginning of an exciting academic journey for the new batch, bringing together students, parents, faculty members, and distinguished guests in a warm and inspiring gathering. The ceremony commenced with a welcome address, followed by insightful remarks from the academic leaders, who highlighted the institution's commitment to excellence in optometry education and research. Students were encouraged to embrace curiosity, uphold professional values, and make the most of the opportunities provided throughout their academic program. Interactive sessions, introductions to the departments, and an overview of the curriculum further enriched the event, helping students familiarize themselves with the learning environment. The program concluded on a positive note with motivational words for the freshers as they embark on their professional paths. The inauguration set a vibrant tone for the academic year, symbolizing new beginnings and the promise of growth, learning, and innovation.

## AHALIA ARTS FEST 2025

Ahalia Group of Institutions conducted “Ahalia Arts Fest 2025” from November 28 to December 05 2025. Ahalia Arts Fest is a 8 days programme conducted every year with participation of all educational institutions in the campus. It was a vibrant celebration of creativity and talent. Students actively participated in a wide range of events, showcasing their skills in various art forms. Their enthusiastic involvement brought great recognition to the institution, with many students winning prizes in different competitions.

The fest was further energized by the performances of various bands, which added a lively and festive atmosphere throughout the event. Overall, the Arts Fest provided a memorable platform for students to express their artistic abilities and celebrate teamwork and creativity.

## CAMPUS VISIT 2025

Ahalia School of Optometry and Research Centre successfully organized a Campus Visit for the First-Year UG and DOA students on 09/12/2025. The visit aimed to familiarize the newly admitted students with the academic environment, infrastructure, and resources available on campus. This orientation helped them understand the campus environment better and ensure a smooth transition into college life. Students were oriented about the key facilities, including classrooms, laboratories, library, administrative offices, and various student-support units. Faculty members guided the students throughout the Visit, highlighting essential information. The campus visit was highly informative and helped students gain a better understanding of the institution's academic culture and opportunities.
